About Us

AT WILDERMARK LLC, WE BELIEVE THAT EVERY ADVENTURE BEGINS WITH THE RIGHT GEAR.

OUR MISSION IS SIMPLE: TO EQUIP OUTDOOR ENTHUSIASTS WITH RELIABLE APPAREL THAT HELPS THEM PERFORM WITH CONFIDENCE IN EVERY SEASON AND EVERY ADVENTURE

AT WILDERMARK, WE ARE INSPIRED BY THE SPRINT OF THE OUTDOORS—THE FREEDOM OF THE MOUNTAINS, THE SILENCE OF THE FORESTS, AND THE EXCITEMENT OF EVERY NEW TRIAL. WE UNDERSTAND THAT OUTDOOR CLOTHING IS MORE THAN JUST APPAREL; IT IS EQUIPMENT THAT SHOULD WORK AS HARD AS YOU DO .

CUSTOMER SATISFACTION, PRODUCT QUALITY, AND CONTINUOUS INNOVATION ARE THE VALUES THAT DRIVE EVERYTHING WE DO. WE ARE COMMITTED TO PROVIDING EXCEPTIONAL PRODUCTS, DEPENDABLE SERVICE, AND AN EXPERIENCE THAT REFLECTS OUR PASSION FOR THE OUTDOOR LIFESTYLE.

OUR COLLECTION AND CUSTOMIZATION

DESIGNED FOR THOSE WHO MOVE BEYOND LIMITS, THE WILDERMARK TACTICAL, HUNTING AND OUTDOOR COLLECTION COMBINES PERFORMANCE, COMFORT, AND DURABILITY FOR DEMANDING OUTDOOR CONDITIONS. EVERY PIECE IS ENGINEERED TO SUPPORT FREE AND NATURAL MOVEMENT, ALLOWING YOU TO STAY AGILE AND CONFIDENT IN RUGGED TERRAIN AND CHANGING ENVIRONMENTS.

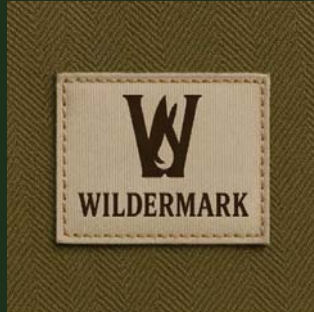

OUR PRODUCTS ARE BUILT TO PROTECT YOU AGAINST HARSH WEATHER, COLD TEMPERATURES, AND HARMFUL UV RAYS, HELPING YOU STAY COMFORTABLE AND FOCUSED THROUGHOUT YOUR ADVENTURE. HIGH-QUALITY, DURABLE FABRICS ENSURE LONG-LASTING PERFORMANCE, EVEN UNDER INTENSIVE USE.

THANKS TO AN EFFICIENT AND FAST SUPPLY CHAIN, WE CAN PRODUCE LIMITED QUANTITIES PER MODEL, ENSURING EXCLUSIVITY WHILE MAINTAINING COMPETITIVE PRICING. THIS FLEXIBLE PRODUCTION APPROACH ALLOWS US TO DELIVER HIGH-QUALITY OUTDOOR GEAR QUICKLY, RELIABLY, AND AT ACCESSIBLE PRICES.

IN ADDITION, WE OFFER PRODUCT CUSTOMIZATION BASED ON CUSTOMER DEMANDS, ALLOWING DESIGNS, COLORS, AND DETAILS TO BE TAILORED TO SPECIFIC NEEDS AND PREFERENCES. OUR DESIGNER TEAM IS ALWAYS AT YOUR SERVICE TO SUPPORT AND GUIDE YOU THROUGHOUT THE CUSTOMIZATION PROCESS.

WILDERMARK IS BUILT FOR ENDURANCE, CRAFTED FOR MOVEMENT, AND DESIGNED TO PERFORM WHERE NATURE IS AT ITS TOUGHEST.

“Crafted for those who walk the forgotten trails. Wilderness gear stands up to thorns, storms, and seasons. Because when you're deep in it — gear is survival.”

Highland Vest 100101

“A sturdy, traditional upland vest with high-capacity pockets”

“Step into the field with confidence, style, and comfort in this premium upland vest. Made from durable canvas fabric designed to withstand dense brush and rugged terrain, this vest is built for demanding conditions. It features all the essential storage and functional details you need to stay organized and carry a full day’s harvest or equipment with ease.”

Soft Shell Vest Black 100104

“Perfect for cool days and as layering piece , The Wildermark Soft Shel Jacket is windproof and water resistant with a full length front zipper and extra tall collar with beard guard.”

“Designed for versatility, the Wildermark Soft Shell Vest performs in a wide range of conditions. The soft, stretch shell offers quiet protection against wind and light rain, while the micro-check fleece interior retains heat to keep your core comfortable when layered.”

Soft Shell Vest Anthracite Grey 100107

“Perfect for cool days and as layering piece , The Wildermark Soft Shel Jacket is windproof and water resistant with a full length front zipper and extra tall collar with beard guard.”

“Designed for versatility, the Wildermark Soft Shell Vest performs in a wide range of conditions. The soft, stretch shell offers quiet protection against wind and light rain, while the micro-check fleece interior retains heat to keep your core comfortable when layered.”

Soft Shell Vest Major Brown 100105

“Perfect for cool days and as layering piece , The Wildermark Soft Shel Jacket is windproof and water resistant with a full length front zipper and extra tall collar with beard guard.”

“Designed for versatility, the Wildermark Soft Shell Vest performs in a wide range of conditions. The soft, stretch shell offers quiet protection against wind and light rain, while the micro-check fleece interior retains heat to keep your core comfortable when layered.”

Soft Shell Vest Mark I Camo 100106

“Perfect for cool days and as layering piece , The Wildermark Soft Shel Jacket is windproof and water resistant with a full length front zipper and extra tall collar with beard guard.”

“Designed for versatility, the Wildermark Soft Shell Vest performs in a wide range of conditions. The soft, stretch shell offers quiet protection against wind and light rain, while the micro-check fleece interior retains heat to keep your core comfortable when layered.”

Lightweight Insulated Vest Blue ¹⁰⁰¹⁰⁷

“Designed to keep your body warm and comfortable when the weather turns cold”

“The interior lining consists of our metallic dot pattern designed to retain heat, while the breathable fabric dissipates moisture. Reflects and retains body heat with breathable comfort, and enhanced warmth.”

Mens Trapper Shooting Vest 100102

"A lightweight vented shooting vest with a full-length shooting patch, bellows pockets for shells/gear, and a large rear pocket for hulls and other additional accessories"

"Wildermark Trapper Shooting Vest is lightweight and does not impede your movement during shooting. It gives you plenty of storage for your shells and safety equipment, a nice recoil pad, and keep you cool when it's hot out."

Womens Trapper Shooting Vest 100103

“Designed for women, a lightweight vented shooting vest with a full-length shooting patch, bellows pockets for shells/gear, and a large rear pocket for hulls and other additional accessories.”

“Wildermark Trapper Shooting Vest is lightweight and does not impede your movement during shooting. It gives you plenty of storage for your shells and safety equipment, a nice recoil pad, and keep you cool when it's hot out.”

Highland Jacket 100201

“A classic highland jacket with solid, durable construction and plenty of storage.”

“Built for endurance and utility. The Wildermark Highland Jacket is the ultimate cold-weather companion. Its heavy-duty construction is engineered to withstand years of navigating dense thickets.”

Classic Field Jacket Green 100207

“A classic green field jacket with solid, durable construction.”

Designed for timeless outdoor use, this Wildermark Classic Field Jacket blends rugged practicality with a clean, heritage-inspired look. Crafted from durable fabric and built for everyday wear, it offers reliable protection against cool weather while maintaining a comfortable, easy fit.

Padded Field Jacket 100208

“Crafted to add a sense of premium heritage to everyday wear, the Wildermark Padded Jacket offers enduring style and quiet sophistication.”

Designed to bring a premium touch to off-duty wardrobes, this men's Transport Padded Jacket offers a refined yet timeless look. Featuring relaxed padding and an oversized, shorter silhouette, it is finished with two hand-warmer pockets to provide added comfort and warmth as temperatures fall.

Pro Jacket Black 100204

“2 L soft shell fabric construction provides water and wind resistance and keeps warm. Multiple pockets for gear.”

“If versatility matters, the Wildermark Pro is the jacket you’ll reach for again and again. Built to handle long hours in rugged terrain, it uses a durable 2L soft shell construction that balances weather resistance with flexibility, ensuring all-day comfort.”

Pro Jacket Major Brown 100205

“2 L soft shell fabric construction provides water and wind resistance and keeps warm. Multiple pockets for gear.”

“If versatility matters, the Wildermark Pro is the jacket you’ll reach for again and again. Built to handle long hours in rugged terrain, it uses a durable 2L soft shell construction that balances weather resistance with flexibility, ensuring all-day comfort.”

Pro Jacket Mark I Camo 100206

“If versatility matters, the Wildermark Pro is the jacket you’ll reach for again and again. Built to handle long hours in rugged terrain, it uses a durable 2L soft shell construction that balances weather resistance with flexibility, ensuring all-day comfort.”

Rain Jacket Major Brown 100202

“Lightweight and breathable rain jacket with durable waterproof membrane. Fully adjustable hood. Water-resistant front zipper. Folds up to fit into bag.”

“The Wildermark Rain Jacket performs well on its own and layers comfortably over insulation in colder, rainy conditions. It includes water-resistant front and hand-pocket zippers for added protection. A fully adjustable three-panel hood improves fit and helps maintain visibility and comfort in challenging weather.”

Rain Jacket Mark I Camo 100203

“Lightweight and breathable rain jacket with durable waterproof membrane. Fully adjustable hood. Water-resistant front zipper. Folds up to fit into bag.”

“The Wildermark Rain Jacket performs well on its own and layers comfortably over insulation in colder, rainy conditions. It includes water-resistant front and hand-pocket zippers for added protection. A fully adjustable three-panel hood improves fit and helps maintain visibility and comfort in challenging weather.”

Lightweight Pants Black 100301

"A durable yet lightweight pant designed for early-season hunting and outdoor. Constructed from ripstop, open-weave polyester fabric. Articulated knees and a full gusseted crotch enhance mobility and comfort. Multiple pockets provide practical storage"

"Hot temperatures and long days in the field quickly reveal the weaknesses of hunting apparel. Wildermark Lightweight Pants are built to perform in the heat, using a lightweight, open-weave ripstop fabric that stretches with every movement for improved comfort and mobility. Articulated knee gussets and a fully gusseted crotch further enhance freedom of motion, while multiple pockets keep essential gear close at hand."

Lightweight Pants Major Brown 100303

“A durable yet lightweight pant designed for early-season hunting and outdoor. Constructed from ripstop, open-weave polyester fabric. Articulated knees and a full gusseted crotch enhance mobility and comfort. Multiple pockets provide practical storage”

Suspender Pants Mark I Camo 100304

“Wildermark Suspender Pants built for cold-weather hunting, fishing and outdoor. Features warm 3-layer Berber fleece with a quiet outer face for stealth. Highly windproof and water resistant, with an extended back rise for added protection. Designed to layer comfortably in cold conditions”

The interior Berber fleece delivers exceptional warmth, while the smooth outer face resists brush and rugged terrain. With an extended back panel and integrated suspenders, the Wildermark Suspender Pants combines the added warmth and comfort of a bib with the lighter weight and mobility of a pant. Whether you're spending long hours in a tree stand or glassing from a rocky slope, the raised rear panel helps block cold drafts from creeping up your back.

Short Sleeve T-Shirt Black 100403

“Lightweight T-shirt, comfortable cut with a crew neck.”

“The Wildermark Short Sleeve T-Shirt delivers excellent comfort in hot to temperate conditions. Its regular-fit design provides plenty of freedom of movement without feeling restrictive.”

Hooded Sweatshirt Mark II Camo 100601

“ Warm polyester fleece hoodie. 3 pieces hood and pass-through, kangaroo pocket in front”

“The Wildermark Hooded Sweathsirt is made from warm, soft polyester fleece. The adjustable, 3 pieces hood provides a more comfortable fit while the tricot lining adds additional warmth. The kangaroo in the front helps keep your hands warm on cold days.”

Hooded Sweatshirt Major Brown 100602

“ Warm polyester fleece hoodie. 3 pieces hood and pass-through, kangaroo pocket in front”

“The Wildermark Hooded Sweatsirt is made from warm, soft polyester fleece. The adjustable, 3 pieces hood provides a more comfortable fit while the tricot lining adds additional warmth. The kangaroo in the front helps keep your hands warm on cold days.”

Orange Cap¹⁰⁰⁵⁰¹

“The lightweight safety orange hat will protect you from the sun's rays and allow other hunters to see you before making a shot.”

“Designed for high visibility and everyday outdoor use, this orange cap combines functionality with a clean, rugged style. Its bright color enhances visibility in outdoor environments, making it ideal for hunting, hiking, and field activities. The structured crown provides a comfortable fit, while the curved brim offers effective sun protection. Finished with a subtle front logo, this cap is both practical and stylish for all-day wear in nature or casual settings.”

Brown Cap 100502

“The brown baseball cap hat with 6 panels will protect you from the sun's rays”

“Built for durability and everyday outdoor comfort, this brown cap delivers a timeless, functional design suited for a wide range of activities. Its earthy tone blends naturally into outdoor environments, making it ideal for hiking, camping, and field use. The structured fit ensures long-lasting shape, while the curved brim provides reliable sun protection. A clean front logo adds a refined outdoor identity, making this cap a versatile choice for both outdoor adventures and casual daily wear.”

Orange Brown Cap 100503

“High-visibility orange crown combined with a brown brim offers a balanced, functional outdoor design suitable for hunting and everyday use.”

Combining high visibility with a classic outdoor look, this cap features an orange crown for enhanced visibility and a contrasting brown brim for a balanced, rugged style. Designed for comfort and practicality, it offers a structured fit that holds its shape while providing reliable sun protection. Suitable for hunting, hiking, and everyday outdoor use, this cap delivers a functional design with a refined outdoor aesthetic.

Mark I Camo Cap 100504

“Classic six-panel baseball cap design with mesh back and hook and loop closure.”

Designed for comfort and breathability, this camouflage cap features a mesh back panel that allows continuous airflow, helping keep the head cool during warm weather and active outdoor use. The camouflage front panel blends naturally into outdoor environments, making it suitable for hunting, hiking, fishing, and camping. Lightweight construction and an adjustable back closure ensure a secure and comfortable fit throughout the day. A practical and versatile cap for both outdoor adventures and everyday casual wear.

Soft Shell Balaclava Mark I Camo 100505

“The Soft Shell Balaclava provides full head and face coverage, combines effective camouflage with wind protection, and retains warmth using soft, grid-backed fleece for cold hunting conditions.”

The Wildermark Soft Shell Balaclava keeps your head and face fully concealed while providing warmth in cold winter hunting conditions. Constructed with soft-sided, grid-backed fleece, this hunting hood helps block wind while maintaining comfort through its soft, textured interior.

“Make your mark in the wild”
